Demolition Ordered: July 6, 2009

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on June 15, 2019 revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the 1st deferral request for this property.

Therefore, we respectfully recommend that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.
2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.
3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:
 - Certificate of Acceptance related to building permits
 - Certificate of Approval as a result of a Housing Inspection
 - Certificate of Compliance, required for all rental properties
4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).
5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.
6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Honorable City Council:

RE: Petition No. 224 — Mt. Calvary Lutheran Church request to vacate an alleyway east of Chalmers Avenue, between Seymour and Spring Garden Streets.

Petition No. 224 — Mt. Calvary Lutheran Church request to vacate and convert to easement the east-west alley, 16 feet wide, in the block of Seymour Avenue, 60 feet wide, Spring Garden Avenue, 66 feet wide, Chalmers Avenue, 60 feet wide, and Celestine Avenue, 60 feet wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made to consolidate properties for zoning purposes in order to open a mission retreat center to host visiting groups to assist with neighborhood renovation.

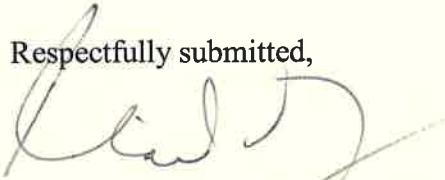

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution. DTE Energy reports having services in the area. A provision to maintain access to DTE facilities is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer

The Honorable City Council
Attention: Office of the City Clerk

Detroit, MI 48226

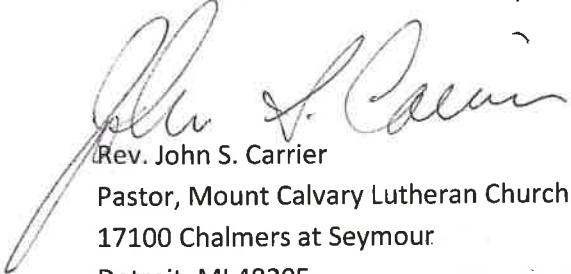

Office of the City Clerk,

On behalf of Mount Calvary Lutheran Church, I, Rev. John Carrier, am requesting that you vacate the alleyway east of Chalmers Avenue, between Seymour and Spring Garden streets. We are requesting that the alleyway be vacated from Chalmers Avenue to: N Seymour Lot 381 Youngs Gratiot View sub L40 P53 Plats, W C R 21/607 35 X 104.32, Parcel ID: 21017048, commonly known as 14489 Seymour, Detroit, MI 48205, and the corresponding addresses on Spring Garden.

The alleyway runs between properties we own on both Spring Garden and Seymour. We understand that the properties must remain open and accessible for emergency and utility vehicles. We also understand that we would be responsible for maintaining the property as part of our parcels of properties. The Zoning Board has included this as a requirement for permits we are seeking to open a mission retreat center to host mission groups visiting Detroit as volunteers to assist with neighborhood renovation (primarily on the north-east side of the City in and near the 9th Precinct), Camp Restore Detroit, on the premises of Mount Calvary Lutheran Church. Parts of this alleyway also impact a Head Start Preschool play area on our property.

We would appreciate your action on this matter as soon as possible in order to expedite movement forward on our permits.

In the service of Christ and the People of the City of Detroit,

Rev. John S. Carrier

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made to consolidate properties and prevent illegal dumping in the alleys.

416 *Number 1 Car Company, INC., request to close alley located near 4210-4236 E 8 Mile Rd.*

NUMBER 1 CAR COMPANY, INC.

06/11/2018

To Whom It May Concern:

Please accept this letter as a request to the City of Detroit from Number 1 Car Company, Inc. to close the alley located directly behind our building. We have recently acquired the property to the east of us at 4236 E 8 Mile Rd, which now makes us the owners of all property on the block between Dean and Sunset.

Our company intends to place a fence around the properties as a whole and would like to close the alley and include that in the fenced in area as well. The closing of this alley would also eliminate the dumping of trash that has always been a nuisance to us and the neighborhood as a whole.

We have attached a letter from the resident located directly next the alley on 20567 Sunset to show her support of the proposed plan to close the alley. We have attached a picture of the property located directly next to the alley on Dean Street. There is no house on that property, just an empty lot where many trees and weeds have taken over.

Thank you for your time in considering our request and we look forward to your response regarding this matter. If you have any questions or concerns feel free to contact me at 586-601-5995 during normal business hours.

RE: Emergency Curfew Ordinance

Each year the City passes an ordinance to provide a curfew for minors from 8:00pm on the night of the Detroit Annual Fireworks Display until 6:00am the next morning, restricted to the riverfront area and with important exceptions, such as for free speech activity.

Even with these limits in place, I am concerned about placing these curfew restrictions on minors without a reasonable basis. Please provide any data from the past several years that demonstrates the necessity of continuing with this curfew ordinance, including the number of incidents or altercations caused by minors during the Fireworks event. Are there any plans to phase out this ordinance?

RE: Resolution Designating June 19th as Juneteenth Day in Detroit

On June 19, 1865, more than two years after the signing of the Emancipation Proclamation, enslaved people in the State of Texas were finally notified that they were officially free. Juneteenth serves as a way for African Americans across the United States to collectively celebrate our emancipation from slavery. Therefore, I am requesting that a resolution be drafted to officially designate June 19th as Juneteenth day in the City of Detroit.

Thank you.
